Update from Pastor Herrod on Teaching

Family,

Last June, I launched what we call Growth Groups. These groups were created with intentionality, to help us grow deeper in our faith, build meaningful relationships, and engage the Word of God beyond Sunday morning. Growth Groups are not just another program, but they are a pathway for discipleship. That is why they are important, and that is why they will continue.

If you have not yet gotten involved, I want to personally encourage you to do so. There is something powerful about growing together in small, intimate groups. The fruit of the current groups are evidence of that.

In addition to Growth Groups, I want to make you aware of two more opportunities for study:

Wednesday Morning Bible Study from 11:00 AM – 12:00 PM in the sanctuary

And beginning Wednesday, May 27, if it is the Lord's will, we will be bringing back our Evening Bible Study, starting promptly at 6:30 PM.

The plan is to create a space for both in-person and online (Zoom) participation. We will gather in person in the Bethel Fellowship Hall, while also providing access for those who will join virtually. Then, beginning the first week of November, we will transition to an online-only format for evening bible study.

As we prepare for this next season, I am asking for your prayers. But I also want to hear from you.

Many of you have questions about life, about Scripture, about God, and I want to create space for those questions.

The Word of God has answers, and I want this to be a place where your real, pressing questions can be explored.

I am creating a space where you can submit your questions, and I will respond, whether through video, written response, or during Bible study.

I also want your input on what we study. This could include:

Books of the Bible

Topical studies

Language studies

Even seminary-style classes exploring theology, biblical languages, and deeper learning

My desire is for you to be excited about Bible study, and for it to be relevant, meaningful, and transformative.

As I pray and discern, I invite you to join me in that process.

Please check your email for:

BUDGET/FINANCE MEETING

There is an upcoming meeting of importance for our church family to discuss this year's budget, review key financial figures from last year, and share updates on financial planning, capital improvements, and the ministry work ahead.

This will be an important opportunity for us to remain informed, aligned, and prayerful as we continue to steward what God has entrusted to us.

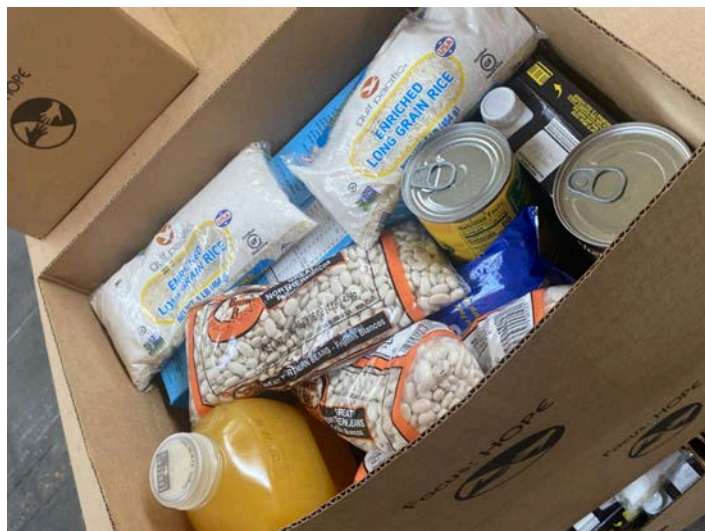

Meeting Date: May (TBA)

Additional details will be shared soon.

We encourage all who are able to attend and be a part of this important conversation.

FOOD FOR SENIORS

We are pleased to announce that our church is now a CFSP distribution site for seniors age 60 and older. Eligible seniors who meet the income guidelines may receive nutritious USDA Commodity Food Boxes. If you are 60 years of age or older, qualify based on income, and would like to receive a food box, please complete an application today. Applications are available from Trustee Betty Burse or at the church office. Once your application is approved, you will be notified of the distribution dates to pick up your food box at the church.
